

# Memory Care – Reflections at The Oasis

Our Memory Care “neighborhood”, known as Reflections, is located on the third floor of The Oasis Assisted Living building. We take a person-centered approach to caring for our residents with dementia, by focusing on their daily comfort and anticipating their needs rather than responding to them.

Reflections’ common areas are designed to provide a home-like atmosphere, with a ‘family room’ similar to the great rooms seen in many single-family homes. Here, residents gather together for meals, activities and socialization - all important elements to maintaining health and wellness.

Memory care residents receive Level 3 Directed Care services. In Directed Care, our certified caregivers provide a higher level of assistance with activities of daily living such as ambulation, bathing, toileting, dressing, selecting menu items in the dining room and medication management. Residents in Directed Care are sometimes unable to recognize danger, summon assistance or make basic care decisions. As a secured unit, we are able to provide care for residents who may have wandering behaviors.

## Memory Care Monthly Rates

Studio apartments 384 sq. ft.

<b>Private Studio</b>	\$6,308
<b>Companion Suite</b>	\$4,568
