A down-on-his-luck inventor turns a broken-down Grand Prix car into a fancy vehicle for his children, and then they go off on a magical fantasy adventure to save their grandfather in a far-off land.

Starring: Dick Van Dyke, Salley Ann Howes, Lionel Jeffries

***Terry's Thoughts
from the Bible***

Teaching of James

Did you know that James was the brother of Jesus?

And did you know that James didn't really believe in Jesus?

I found this shocking. However in John 7:5 it says, "For neither did His brethren believe in Him."

I remember the days when I knew of Jesus, but didn't believe in Him. I remember when I thought my ways were smarter and better than the ways that my grandmother taught me from the bible.

The great thing is, like James, I eventually saw the light and found that Jesus' ways are always much higher than mine and His teachings so full of wisdom and life.

After Jesus died and resurrected, James became a pastor and the insights from his letter in the book of James are wonderful and can also be a guiding light for us today:

James 1:2-7 Tells us that trials bring patience and wisdom.

James 1:22-25 Says you must be a doer of the Word and not just listen to it.

James 2:14-17 States that faith without works is dead.

James 3:8-10 Warns that your tongue can be death or a blessing so watch your tongue.

James 4:7-8 Admonishes us to resist the devil and submit to the Lord.

James 4:13-15 Encourages us to focus on now and not tomorrow.

James 5:13-16 Shows us to pray in faith, praise, call the elders to pray and anoint, and finally confess your sins.

So, as we ponder our relationship with Jesus, let these teachings of James be a directional beacon on how to live, how to thrive and how to be a bit more like Jesus every day.

Until next time, may God richly bless you. Terry

BIG NEWS!

THE LITTLE LOOP IS COMING SOON !!!

In our continued efforts to provide exceptional services to our residents, we have identified the need for a shuttle service to transport residents within our campus. As an example, to and from the dining room, activities, exercise class, thrift store, visiting a resident in another villa. Whatever or wherever you need to go within our community.

The shuttle will run continuously with the help from volunteers/resident volunteers from 7:00am to 4:45pm. There will be designated pick up areas where you can wait for the shuttle to stop and drop off. There will be no need to make a reservation.

There will be more information provided as we approach the start date.

For questions call 520-886-5537.

If you are interested in volunteering to drive the gold cart shuttle, please contact Deseree in the Business office. 520-886-5537
