ROSE GARDEN UPDATE

As you may or may not know, Fellowship Square has a Rose Garden at each of its four villas! In January, the Rose Garden Committee worked very hard to trim as recommended, all of the roses in each of the gardens so that there would be new growth in the Spring. This work has been followed diligently with watering, cultivating, and fertilizing so that the roses are now starting to blossom and bloom.

It looks like this year's crop will truly be even better than ever before! The Rose Garden Committee will continue to care for all of the roses, so the Residents are otherwise asked to not trim or cut the roses. This will enable all of the Residents and visitors to be able to view and enjoy this year's beautiful Rose Gardens.
